VOL. X. NO. 209. CHARLEROI, WASHINGTON CO., PA., FRIDAY, APRIL 22, 1910. One Cent

AGREEMENTS REACHED BY OPERATORS AND MINERS OF CHARLEROI COAL MINES

The miners of the Charleroi Coal works will, according to agreements just reached, return to work on Monday, and the trouble ended locally which has existed ever since the strike order went into effect. There are about 500 men employed at the Charleroi mines.

Matters at the Charleroi mines are not much changed from what they were before the strike, according to the new agreements, it is stated.

A five per cent of increase is granted, as in other places, but carbonite will be used as an explosive, the operators agreeing to pay for the extra expense to the miners involved in its use.

The Charleroi mine was one of the few that had been running under the new conditions imposed through the order of the State Department of Mines. An agreement was reached between the operators and miners there after a three weeks' strike last summer, whereby carbonite was used as an explosive, the operators agreeing to stand the extra expense.

Repairs are being made now at the mines and on the tipple, and it may be necessary to continue work on these after the miners start working on Monday.

AFFAIRS SHAPING THEMSELVES FOR FINAL SETTLEMENT OF ALL TROUBLE

At the present time it looks as though the mine trouble existing in No. 5 district would be settled, generally speaking, although many mines may remain closed indefinitely. An offer has been made by the scale committee of the district to have a settlement effected and many of the operators who have thus far been approached have been responsive, and are willing to meet the miners half way.

Now the operators are being approached by the district officers to ascertain how many there are willing to sign the general contract. This is the result of action taken by the scale committee of the Pittsburg district.

The Vesta mines are all working now, and the Ellsworth mines of the Ellsworth Colleries company and the Marianna mines of the Pittsburg-Buffalo Coal company expect to start soon. The Pittsburg-Buffalo Coal company has signed up in Ohio, and the Pittsburg Coal company for its mines in the Hocking valley.

A resolution has been adopted providing that should the miners of this district go to work they be assessed 25 cents a week to support the miners in the Irwin field and that an appeal be made to the Internatonal Executive Board for $50,000 for the same purpose. The resolution asks other labor organizations to support the Irwin miners who are on strike for higher wages and a wage scale agreement. William Feeney of Charleroi is a member of the special committee appointed on resolutions.

GENERAL SUPERINTENDENT OF MACBETH-EVANS RESIGNS TO START ANOTHER PLANT

In order that he could become a member of a glass firm to take over and operate the old Jefferson plant at Follansbee, W. Va., Harry A. Schnelbach has resigned his position as general superintendent of the Macbeth-Evans chimney plants and gone to West Virginia to open up the new factory. The resignation which took effect last Friday, has been kept quiet, and only today was made public generally. There will be no general superintendent appointed, it is stated, by the Macbeth-Evans company to succeed Mr. Schnelbach, but for the Charleroi plant, which is the largest the company owns, and the one which took the most of Mr. Schnelbach's time, the work will be divided up, W. S. James recently appointed superintendent to take the manufacturing end, and Clarence P. Parigren the business end.

With Mr. Schnelbach in the Follansbee plant is interested Bloomenhaur and St. Clair, two well known glass men. They will manufacture ware, it is undertood, something of the same kind as that made by the Macbeth-Evans company.

The local plant is running to its full capacity at the present time and the South Side shops are still here, the work of repairing the Pittsburg plant not having been completed yet.

LUTHER LEAGUE TO MEET TONIGHT AT LOCAL CHURCH

The Tri-Luther league, consisting of Luther Leagues of the Monessen, Monongahela and Charleroi Lutheran churches, will hold a rally at Christ Lutheran church, Charleroi, this evening under the auspices of the local society. Delegates are expected from the leagues in the above mentioned towns, and also from Scenery Hill, which may bcome a member of the Tri-Luther League. The principal speaker of the evening will be Rev. Durst of McKees Rocks, his topic to be "Luther Leagues in Mission Work." James Frank of McKees Rocks will also make an address. A social hour will follow the rendition of the program. Preparations are now being made by the Tri-Luther League, as well as other organizations in the United States for the National convention to be held in Pittsburg next October.

Swedish Singing Society to Give Concert Saturday

Saturday night the Swedish Singing society of McKeesport will appear at Turner Hall, under the aupsices of the Charleroi Turn Verein, to give a concert. A dance will follow the concert. The Singing society will be assisted by the Turn Verein orchestra. Only the best songs are used by the Swedish society of McKeesport, which has a big reputation as an accomplished male organization. It appeared in Charleroi last year, and was well received.

MERCHANTS SAID TO FAVOR EARLY CLOSING HOURS

At a meeting of the Monessen Retail Clerk's union last night, attended by 42 members. a committee was appointed to wait upon the merchants to secure their consent to an early closing movement. Those who are looking after the matter in Monessen say that a majority of the stores are in favor of early closing. At the next meeting it is expected that the membership will be increased to about 60.

Can Almost See the Horse Races at This Old Time County Fair

Under the direction of Miss Wells, of the Beck Entertaining company, the Washington County Fair will be produced at Turner Hall, next Thursday and Friday evenings, under the aupsices and for the benefit of St. Mary's Episcopal church. The "Fair" is an amusing production, consisting of two main parts, one a one-act comedy playlet, and the other choruses. Many of the talented young people of Charleroi take part in the choruses, the solo parts being handled by capable sngers. The playlet is truly humorous and particularly a depiction of the county fair, and true to life.

NORTH CHARLEROI PAYS CONTRACTOR FOR PAVING WORK

The North Charleroi council met last evening in adjourned session, the members present being Councilmen Rockwell, Cope, Nebelung, Sloan, and Gaskill.

On motion the following report of a committee of the whole was accepted:

"That the report of the committee of the whole stating that they had inspected the grading, paving and masonry work done under the contract with the Hallam Construction company andhad found it satisfactory, and in their judgment agreeing with the terms of the contract with the exception of some minor details in the manner of sinks and slipping curb, which were refered to the street committee for their action; and further, the committee of the whole recommends that the council settle upon the basis submitted by our engineer and recorded at our last meeting, providing that the street committee and finance committee are satisfied that the defects as mentioned are repaired and completed according to the specifications."

A motion was also passed to empower the finance committee to make settlement with the Hallam Construction company when the street committee makes final report of the completion of the work according to specifications, and that they be authorized to give Hallam Construction company a borough note to the amount of $4,862.00 in final settlement.

This completed the business of the evening and council adjourned. The grading and paving refered to is that recently completed on Lincoln avenue.

WILLIE AGAIN GOES AWAY AND CAN'T BE FOUND

Willie Supples has gone again. Not that this is any especially interesting item of news, except for the fact that the boy, who is about 15 years old, and from his insistence in disappearing from home and returning as insistently, has gone for about the hundred and sixteenth time. The fact of the boy "shaking" his parents was made known this morning to the Mail by the father, who declared "By golly, he would send him to Morganza, if he didn't behave." The Supples family live not far distant from Charleroi in the country. Willie, who has propensities for not doing anything much, and who displays an especial aptitude in avoiding anything partaking of work, has a reputation for running away not enjoyed by many lads. Doubtless as before he will come home again in a few days.

Date of Convention to Be Held Here is Made a Week Earlier

President E. W. Jones, of the Washington county disrtict, Epworth league, has notified the officials of the Charleroi chapter that the date of the annual district convention to be held in Charleroi had been changed from the week of June 14 to June 7, 8 and 9. The change was made through the request of other leagues in the district, whose delegates could better attend on the earlier dates.

Wonderful Man-Like Ape With the Forepaugh Circus

Don Jose de Monk is coming to Charleroi Monday, May 9, with the Great Adam Forepaugh and Sells Bros.' Big United Shows He is only an ape, but he is built to so closely conform with the image of man that scientists are amazed by him. He is a little short when it comes to a nose, but according to the laws of compensation, he has the bulging brow of a scholar.

This great circus has a wonderful menagerie. Don Jose is an example, There are giraffes, kangaroos, rhinoceros and hippopotamus specimens of the highest order, wart hogs, gnus, yaks, zebus, ibexes, vlak vaarks, pecaries, tapirs, ant-eaters, porcupines, nylghaus, horned horses, emos, zebras, zebroids, sacred oxen, curious cattle, water buffalo, camels, dromedaries, elephants, llamas and every phase of the deer, bear, monkey and cat tribes.

An interesting feature of the menangerie is the nursery. Here the animal babies are quartered. This is especially attractive to the children. In it are many tiny and curious creatures, nestling close up to their proud mothers.

The management has introduced a feature heretofore unknown to traveling zoos in the shape of uniformed lecturers. They conduct all the visitors though the many aislways among the pens, cages and lairs, explaining many wonderful facts concerning animal life and giving practical demonstrations witth the assistance of a corps of animal trainers. As a general thing strangers are backward about asking questions when visiting the common run of shows for fear of offensive replies. With this show it is a pleasure for attendants to oblige the public.

STARTS IN SINGLE SMALL ROOM; NOW IN SIX BIG ONES

From a humble beginning in a small store room on Fifth street, to the occupancy of six large rooms, which are so crowded with stock that there is scarce office room, the J. W. Berryman and Son company will, beginning Saturday, celebrate their 14th birthday anniversary. The Berryman store was started in the room which is now occupied by the Men's Clothing and Furnishings department, to be formally opened Saturday, and such has been the business increase that now it takes careful calculating to properly display the stock in the six rooms.

The feature of the anniversary celebration will be a big sale, one of the noted Berryman kind, where extra ordinary values are to be had for the wishing. The new men's and boy's clothing and furnishing department, under the supervision of W. H. Atkins, will be opened to the public. Much is expected from this department which has been carefully stocked with the best makes of suits and furnishings.

Settlement Terms Will Be Explained

A meeting of the miners employed at the Charleroi Coal mines will be held this evening, probably at the Concorda Hall, when the terms on which settlement was made with the operators by which the miners return to work Monday will be explained.

NOT PLEASED WITH SITUATION IN IRWIN FIELD

To the Mail: It will no doubt be of interest to the public at large as well as the membership, to know something of the conditions of the miners of the Irwin and Greensburg fields who are at the present time in a struggle against the tyranny of the mine owners in that particular field. It is almost beyond belief to think that such un-American conditions would be allowed to exist in this great liberty-loving country of ours.

The miners in that field have stood this oppression until it has become unbearable, and the result is they have at last resorted to their only weapon and that is strike. No sooner had this been put into effect than the great constabulary were rushed into that field to try and take away that last weapon of those who are struggling for an honest living. But Sheriff Shealds soon made it known that their services were not requested. But they are still here, ready to shoot at a moment's notice any of our men on the least provocation. Evictions have taken place at Edna and at Madison, and poor families are cast on the highways with no roof to shelter them but the sky above.

One poor woman gave birth to a child a few hours after eviction at Edna. Another poor woman who was in a delicate condition at Madison fainted away while being evicted from her home on Tuesday, April 19. A young American who stood by, whose name is Thomas Fagen, questioned the right to do such things and he was immediately cast into prison.

This, in my opinion, is an outrage and should receive the serious consideration of all liberty-loving citizens.

Hoping and praying that the mine owners will be forced to recognize the rights of the miners, I remain,

Yours for a square deal,
Wm. Feeney.

Cheering News.

The intelligence that the Charleroi Coal works will start up its mines Monday is cheering intelligence to the business inteests of this community. These mines employ in the neighborhood of five hundred people, and the monthly payroll aggregates approxomately thirty thousand dollars. A satisfactory scale has been signed between the company and its miners, and it is expected that the mines will have a prosperous season.

A remarkable feature in connection with the negotiations between the operators and miners in all the wage scale conferences this year has been the absence of animosity and rancor on each side. The matter has been discussed from a business point of view calmly and dispassionately, each side giving due weight and conisderation to the claims and arguments of the other. This was the avowed policy of President Lewis of the miners' organization at the outset, and in his efforts to keep out of their controversy personal rancor he was ably seconded by District President Feehan. With this feeling prevalent, and only a few mines unable or unwilling to come to terms, the controversy will virtually settle itself by permitting those operators to resume who are willing to sign the scale.

A Booster Fund.

Connellsville, which has a live chamber of commerce, has started to collect a "booster fund" for the promotion of the industrial and economic well-being of that hustling town. The clearing house association, composed of seven banking institutions, proposes to start the fund with donations aggregating six hundred dollars, and a regular canvass will be made to collect a sum sufficient to substantially work for the promotion of Greater Connellsville.

The proposition to merge the Charleroi Merchant's Association into a Business Men's Association is a project that will work to the glory of Charleroi if actively carried along. The Merchants' Association did a good work along civic lines, but its scope was not broad enough and its mission was misunderstood to a certain degree by the pubilc, which hampered operations. A broader organization of workers could do much for Charleroi, which needs all the boosting it can get to keep pace with some of its progressive neighbors.

A Note of Warning.

According to a statement just issued by State Zoologist H. A. Surface, the time is up to spray for San Jose scale, the common pest that seriously affects the fruit crop of this section. After the buds have burst no spraying should be done, says Mr. Surface. The arsenical sprays should be applied immediately after the petals or showy parts of the blossoms drop, and repeated ten day or two weeks thereafter. Trees in bloom should not be sprayed, as poison sprays are fatal to bees, which are most helpful in carrying pollen from flower to flower.

In order to offset the ravages of the Codling moth, the San Jose scale and other orchard pests, the State Department of Agriculture will give over two hundred demonstrations of spraying in orchards thoughout the State this spring. As a rule most farmers throughout this section have been so neglectful about fighting the orchard pests with the result that there is comparatively little fruit produced in the county that is not more or less damaged on this account. The State Department of Zoology is awaking to the fact that unless active and widespread measures are taken at once to combat these orchard pests fruit trees of every description will in the course of time be exterminated in many sections of the State. These pests are a menace to the economic well-being of every community, and materially add to the cost of living.

STRONG ARM MAY AGAIN BE USED

Not Even Standing Room Left in Party For Col. Guffey

BRYANITES CROWDING HIM

Factional Fighting Not Likely to Avail, However, as Conditions Generally Guarantee Republican Supremacy and Warrant Republican Success.

The Democrats of Pennsylvania who are now and for several years have been out of harmony with the leaders of their organization are just now industriously at work reading Colonel J. M. Guffey, of Pittsburg; State Chairman Arthur G. Dewalt, of Allentown; Charles P. Donnelly, of Philadelphia, and all their followers and friends out of the Democratic party. They will have nothing or no one who is not willing to declare that William J. Bryan, of Nebraska, is the greatest Democrat on earth and very naturally Colonel Guffey and his followers, who have complete control of the Democratic organization in Pennsylvania, are not willing to even pretend that Mr. Bryan is great. The Guffey people are heartily tired of following the Bryan funeral procession. They have gone to the place of general mourning with their party too often in the recent past and they do not hesitate to declare that so far as they are concerned they have gone to the Bryan political cemetery for their last time. The Bryan followers show a religious devotion to political funerals occasionally and now in Pennsylvania, when Bryan and Bryanism are dead and well buried in every other State in the Union Colonel Guffey and his organization leaders are to be publicly read out of the party because they refuse to continue indefinitely with the process of fatal political blundering.

It is contended that Colonel Guffey and his friends went a long way at the recent Harrisburg meeting to guarantee party harmony. It is also contended that the Guffey harmony efforts have been entirely misunderstood and that because he yielded some points to secure harmony he should go the full length and yield the party management to the Bryan fellows. This, of course, is not intended by the Guffey people. They recall that they were opposed to renominating Mr. Bryan at the last Democratic national convention because it was apparent that Mr. Bryan could not be elected. They recall that they were opposed to the nomination of Lewis Emery as the Democratic candidate for governor of Pennsylvania at their last nominating convention because Mr. Emery was then and is now a Republican who had repeatedly dealt himself into power with the regular Republican organization. Now they are refusing to stand for the nomination of Mr. Bryan's candidate for governor, W. H. Berry, wholly because Mr. Berry carried the fight against the Guffey crowd to the Denver convention and enlisted Mr. Bryan in the brutal job of throwing Guffey and his regularly elected delegates over the back fence of that convention. Colonel Guffey would be more than human to overlook the outrage upon him by the Bryan fellows and there are no signs that he even proposes to yield another point to his enemies in the Democratic party. He will not be read out of his party either, if he can help it, and those who know him best are confident that he will help it at the proper time.

The rainbow chasers in the Democratic party have in the past few years resorted to about every political expedient known and with all their defeats and failures they are still reluctant to approach the recognized political principle of selecting a strong, capable candidate from the membership of their own party just as they did twice with the lamented Cleveland and the honored Pattison. The Bryan fellows seem so enamoured of "isms" that they actually point with pride to the disaster which overtook such experiments as the nomination of Horace Greely for president, Lewis Emery for governor and that long list of political fiascoes for which they and their kind have been responsible. Congressman Palmer and other friends of Candidate Berry freely admit that his election would be impossible.

However, the Bryans and the Berrys and their whole clan of political highbinders are not likely to cut much ice in the affairs of Pennsylvania in the immediate future. The administration of Governor Edwin S. Stuart, now started on its last year, has been the strongest ever given to the State. When Mr. Stuart was a candidate for governor he made several important promises and as Governor he has devoted himself almost religiously to seeing that his every promise has been faithfully redeemed. No other governor in the State's history bent himself with such determination to having the promises of his party kept to the letter and Governor Stuart's sincerity and good faith guarantee beyond even serious speculation that his successor will be not only of his party but of his character and equipment.

What is there to be found in the political atmosphere to encourage Democrats or political malcontents in this State or in the Nation in any event? The stern fact is that the whole Nation is aflame with industrial activity. Labor in all its interesting history was never better paid. Business confidence is resting upon substantial conditions and the richest fruits of real prosperity are being garnered by the employer and employed. Almost every large labor employing corporation in the country has advanced wages to boom time records and not a few of them have provided in substantial ways for the protection of their employes and their dependents and all under legislation enacted under the management and leadership of the great Republican party.

The hard, cold facts are that the political conditions in Pennsylvania are satisfactory in the highest possible degree. The Republican leadership in the State, since passing into the hands of United States Senator Boies Penrose, has commanded popular approval. Upon every important move to be made the members of the party have been freely and generously consulted and every Republican in the State has had a part and a voice in the party's plans. This policy gave to the State Governor Stuart and his magnificent administration. It also gave to the State and the Nation the political policy which sounds much like boom times, giving to the wage-earner plenty of work with constantly advancing pay and a contentment that is the best possible guarantee for the future.

Clothing, Furnishings and Shoes For the Family

Putting Quality first and Low Prices next is the reason of our ever increasing business. It seems strange that we should at one and the same time claim better merchandise at lower prices, for we say quality does not suffer at the expense of our low prices. What suffers is big profits, and we make that up in the volume of big business. Small profits, ready and quick sales look good to us. Here are some of the prices. Think and act. It means a saving on each article bought.

PRICES THAT ARE LOW

Our men's suits are hand-tailored by tailors that know how to put the proper kinks into them to give them that custom-made appearance. The most popular sellers are $15.00, 13.50 and 12.00.

We invite honest criticism of our $10 values in blue, black or fancy suits for young men. Every garment is backed by our guarantee to wear the price or a new suit gratis.

Your taste could not ask more or we are conceited about our pants line. We have the most up-to-date line of pants at low prices, 79c to $3.98.

Our ready cash enables us to buy just a shade cheaper and you are benefitted thereby. Boys' blue serge pants, every seam taped, 74c.

Men's overalls, all colors, 39c.

Men's work shirts, all colors, 39c.

Men's police and firemen's suspenders 18c.

Men's red and blue bandanas 3c.

Linen handkerchiefs 3c.

Ladies hose, fast colors, black or brown, seamless, 8c.

How can we Sell Cheaper

Than anyone and still pay dividends to our members on the amount of goods bought? Pay the highest wages to our employees and pay them dividends on the amount of wages received.

First, everyone pays his own bill, no credit, no loss of any kind.

Then we buy direct and save the jobbers and wholesalers profit.

We have the cash, we are buying for cash, and get the lowest market price.

This is the key of our success.

The Grand—Pittsburg.

The prorgam of up to-the-minute vaudeville which Manger Harry Davis has engaged for the Grand for the week beginning next Monday afternoon, April 25, includes that ever-popular duo of comedians and vocalists, Matthews and Ashley. These clever fun-makers are presenting a new skit this season. It is entitled "Held Up" and is a comical representation of scenes under the Brooklyn Bridge in New York City, depiciting two types taken from the flotsam and jetsam of real life in the great metropolis. Mr. Matthews portrays the part of a Yiddish sport and Mr. Ashley a "stick-up" man.

The sensational number of the program will be given by Harry De Coe, a European, whose equilibristic stunts have thrilled metropolitan auidence. This interpid athletes performs upon ordinary kitchen chairs and tables, each time putting his life in jeopardy.

Johnny Stanley, the effervescen comedian, and Elida Morris, a petite and winsome comedienne, will introduce a variety of vaudeville ideas, including invitations, songs and dances This specialty is said to be quite unique.

Mabelle Adams, the gispy girl violinist, will play a cycle of popular and classical selections. Miss Adams draws a strong bow and produces a robust tone.

These are only four of the important members in a brililant program, which will conclude with a moving picture play.

VOL. X. NO. 209. — CHARLEROI, WASHINGTON CO., PA., FRIDAY, APRIL 22, 1910. One Cent

AGREEMENTS REACHED BY OPERATORS AND MINERS OF CHARLEROI COAL MINES

The miners of the Charleroi Coal works will, according to agreements just reached, return to work on Monday, and the trouble ended locally which has existed ever since the strike order went into effect. There are about 500 men employed at the Charleroi mines.

Matters at the Charleroi mines are not much changed from what they were before the strike, according to the new agreements, it is stated.

A five per cent of increase is granted, as in other places, but carbonite will be used as an explosive, the operators agreeing to pay for the extra expense to the miners involved in its use.

The Charleroi mine was one of the few that had been running under the new conditions imposed through the order of the State Department of Mines. An agreement was reached between the operators and miners there after a three weeks' strike last summer, whereby carbonite was used as an explosive, the operators agreeing to stand the extra expense.

Repairs are being made now at the mines and on the tipple, and it may be necessary to continue work on these after the miners start working on Monday.

AFFAIRS SHAPING THEMSELVES FOR FINAL SETTLEMENT OF ALL TROUBLE

At the present time it looks as though the mine trouble existing in No. 5 district would be settled, generally speaking, although many mines may remain closed indefinitely. An offer has been made by the scale committee of the district to have a settlement effected and many of the operators who have thus far been approached have been responsive, and are willing to meet the miners half way.

Now the operators are being approached by the district officers to ascertain how many there are willing to sign the general contract. This is the result of action taken by the scale committee of the Pittsburg district.

The Vesta mines are all working now, and the Ellsworth mines of the Ellsworth Colleries company and the Marianna mines of the Pittsburg-Buffalo Coal company expect to start soon. The Pittsburg-Buffalo Coal company has signed up in Ohio, and the Pittsburg Coal company for its mines in the Hocking valley.

A resolution has been adopted providing that should the miners of this district go to work they be assessed 25 cents a week to support the miners in the Irwin field and that an appeal be made to the Internatonal Executive Board for $50,000 for the same purpose. The resolution asks other labor organizations to support the Irwin miners who are on strike for higher wages and a wage scale agreement. William Feeney of Charleroi is a member of the special committee appointed on resolutions.

GENERAL SUPERINTENDENT OF MACBETH-EVANS RESIGNS TO START ANOTHER PLANT

In order that he could become a member of a glass firm to take over and operate the old Jefferson plant at Follansbee, W. Va., Harry A. Schnelbach has resigned his position as general superintendent of the Macbeth-Evans chimney plants and goes to West Virginia to open up the new factory. The resignation which took effect last Friday, has been kept quiet, and only today was made public generally. There will be no general superintendent appointed, it is stated, by the Macbeth-Evans company to succeed Mr. Schnelbach, but for the Charleroi plant, which is the largest the company owns, and the one which took the most of Mr. Schnelbach's time, the work will be divided up, W. S. James recently appointed superintendent to take the manufacturing end, and Clarence P. Parigren the business end.

With Mr. Schnelbach in the Follansbee plant is interested Bloomenberg and St. Clair, two well known glass men. They will manufacture ware, it is undertood, something of the same kind as that made by the Macbeth-Evans company.

The local plant is running to its full capacity at the present time and the South Side shops are still here, the work of repairing the Pittsburg plant not having been completed yet.

LUTHER LEAGUE TO MEET TONIGHT AT LOCAL CHURCH

The Tri-Luther league, consisting of Luther Leagues of the Monessen, Monongahela and Charleroi Lutheran churches, will hold a rally at Christ Lutheran church, Charleroi, this evening under the auspices of the local society. Delegates are expected from the leagues in the above mentioned towns, and also from Scenery Hill, which may bcome a member of the Tri-Luther League. The principal speaker of the evening will be Rev. Durst of McKees Rocks, his topic to be "Luther Leagues in Mission Work." James Frank of McKees Rocks will also make an address. A social hour will follow the rendition of the program. Preparations are now being made by the Tri-Luther League, as well as other organizations in the United States for the National convention to be held in Pittsburg next October.

Swedish Singing Society to Give Concert Saturday

Saturday night the Swedish Singing society of McKeesport will appear at Turner Hall, under the aupsices of the Charleroi Turn Verein, to give a concert. A dance will follow the concert. The Singing society will be assisted by the Turn Verein orchestra. Only the best songs are used by the Swedish society of McKeesport, which has a big reputation as an accomplished male organization. It appeared in Charleroi last year, and was well received.

Notice.

All members of the Washington Avenue Boy's Brigade are ordered to meet at their drill hall, Friday evening at 7 sharp. A representative of the M. C. Lilley Co. will be present to measure the company for service uniforms. Every member is urged to be present.

MERCHANTS SAID TO FAVOR EARLY CLOSING HOURS

At a meeting of the Monessen Retail Clerk's union last night, attended by 42 members. a committee was appointed to wait upon the merchants to secure their consent to an early closing movement. Those who are looking after the matter in Monessen say that a majority of the stores are in favor of early closing. At the next meeting it is expected that the membership will be increased to about 60.

Can Almost See the Horse Races at This Old Time County Fair

Under the direction of Miss Wells, of the Beck Entertaining company, the Washington County Fair will be produced at Turner Hall, next Thursday and Friday evenings, under the aupsices and for the benefit of St. Mary's Episcopal church. The "Fair" is an amusing production, consisting of two main parts, one a one-act comedy playlet, and the other choruses. Many of the talented young people of Charleroi take part in the choruses, the solo parts being handled by capable sngers. The playlet is truly humorous and particularly a depiction of the county fair, and true to life.

FINANCES OF WASHINGTON CO. IN GOOD SHAPE

According to the mercantile appraiser's report there are 234 more places of business in the county now than there were last year. The retail mercantile tax for the year is $14,705.63. The increase in the amount of the license is $1,050. In Charleroi there are 177 retailers, this list including the hotels, three wholesalers, 12 brokers, 10 restaurants, eating houses and cafes, and seven billiard and pool rooms.

NORTH CHARLEROI PAYS CONTRACTOR FOR PAVING WORK

The North Charleroi council met last evening in adjourned session, the members present being Councilmen Rockwell, Cope, Nebelung, Sloan, and Gaskill.

On motion the following report of a committee of the whole was accepted:

"That the report of the committee of the whole stating that they had inspected the grading, paving and masonry work done under the contract with the Hallam Construction company andhad found it satisfactory, and in their judgment agreeing with the terms of the contract with the exception of some minor details in the manner of sinks and slipping curb, which were refered to the street committee for their action; and further, the committee of the whole recommends that the council settle upon the basis submitted by our engineer and recorded at our last meeting, providing that the street committee and finance committee are satisfied that the defects as mentioned are repaired and completed according to the specifications."

A motion was also passed to empower the finance committee to make settlement with the Hallam Construction company when the street committee makes final report of the completion of the work according to specifications, and that they be authorized to give Hallam Construction company a borough note to the amount of $4,862.06 in final settlement.

This completed the business of the evening and council adjourned. The grading and paving refered to is that recently completed on Lincoln avenue.

WILLIE AGAIN GOES AWAY AND CAN'T BE FOUND

Willie Supples has gone again. Not that this is any especially interesting item of news, except for the fact that the boy, who is about 15 years old, and from his insistence on disappearing from home and returning as insistently, has gone for about the hundred and sixteenth time. The fact of the boy "shaking" his parents was made known this morning to the Mail by the father, who declared "By golly. he would send him to Morganza, if he didn't behave." The Supples family live not far distant from Charleroi in the country. Wilile, who has propensities for not doing anything much, and who displays an especial aptitude in avoiding anything partaking of work, has a reputation for running away not enjoyed by many lads. Doubtless as before he will come home again in a few days.

Date of Convention to Be Held Here is Made a Week Earlier

President E. W. Jones, of the Washington county disrtict, Epworth league, has notified the officials of the Charleroi chapter that the date of the annual district convention to be held in Charleroi had been changed from the week of June 14 to June 7, 8 and 9. The change was made through the request of other leagues in the district, whose delegates could better attend on the earlier dates.

Wonderful Man-Like Ape With the Forepaugh Circus

Don Jose de Monk is coming to Charleroi Monday, May 9, with the Great Adam Forepaugh and Sells Bros.' Big United Shows He is only an ape, but he is built to so closely conform with the image of man that scientists are amazed by him. He is a little short when it comes to a nose, but according to the laws of compensation, he has the bulging brow of a scholar.

This great circus has a wonderful menagerie. Don Jose is an example, There are girafies, kangaroos, rhinoceros and hippopotamus specimens of the highest order, wart hogs, gnus, yaks, zebus, ibexes, vlak vaarks, pecaries, tapirs, ant-eaters, porcupines, nylghaus, horned horses, emos, zebras, zebroids, sacred oxen, curious cattle, water buffalo, camels, dromedaries, elephants, llamas and every phase of the deer, bear, monkey and cat tribes.

An interesting feature of the menangerie is the nursery. Here the animal babies are quartered This is especially attractive to the children. In it are many tiny and curious creatures, nestling close up to their proud mothers.

The management has introduced a feature heretofore unknown to traveling zoos in the shape of uniformed lecturers. They conduct all the visitors though the many aislways among the pens, cages and lairs, explaining many wonderful facts concerning animal life and giving practical demonstrations witth the assistance of a corps of animal trainers. As a general thing strangers are backward about asking questions when visiting the common run of shows for fear of offensive replies. With this show it is a pleasure for attendants to oblige the public.

STARTS IN SINGLE SMALL ROOM; NOW IN SIX BIG ONES

From a humble beginning in a small store room on Fifth street, to the occupancy of six large rooms, which are so crowded with stock that there is scarce office room, the J. W. Berryman and Son company will, beginning Saturday, celebrate their 14th birthday anniversary. The Berryman store was started in the room which is now occupied by the Men's Clothing and Furnishings department, to be formally opened Saturday, and such has been the business increase that now it takes careful calculating to properly display the stock in the six rooms.

The feature of the anniversary celebration will be a big sale, one of the noted Berryman kind, where extraordinary values are to be had for the wishing. The new men's and boy's clothing and furnishing department, under the supervision of W. H. Atkins, will be opened to the public. Much is expected from this department which has been carefully stocked with the best makes of suits and furnishings.

Settlement Terms Will Be Explained

A meeting of the miners employed at the Charleroi Coal mines will be held this evening, probably at the Concorda Hall, when the terms on which settlement was made with the operators by which the miners return to work Monday will be explained.

NOT PLEASED WITH SITUATION IN IRWIN FIELD

To the Mail: It will no doubt be of interest to the public at large as well as the membership, to know something of the conditions of the miners of the Irwin and Greensburg fields who are at the present time in a struggle against the tyranny of the mine owners in that particular field. It is almost beyond belief to think that such un-American conditions would be allowed to exist in this great liberty-loving country of ours.

The miners in that field have stood this oppression until it has become unbearable, and the result is they have at last resorted to their only reason, and that is strike. No sooner had this been put into effect than the great constabulary were rushed into that field to try and take away that last weapon of those who are struggling for an honest living. But Sheriff Shealds soon made it known that their services were not requested. But they are still here, ready to shoot at a moment's notice any of our men on the least provocation. Evictions have taken place at Edna and at Madison, and poor families are cast on the highways with no roof to shelter them but the sky above.

One poor woman gave birth to a child a few hours after eviction at Edna. Another poor woman who was in a delicate condition at Madison fainted away while being evicted from her home on Tuesday, April 19. A young American who stood by, whose name is Thomas Fagen, questioned the right to do such things and he was immediately cast into prison.

This, in my opinion, is an outrage and should receive the serious consideration of all liberty-loving citizens.

Hoping and praying that the mine owners will be forced to recognize the rights of the miners, I remain,

Yours for a square deal,
Wm. Feeney.

Cheering News.

The intelligence that the Charleroi Coal works will start up its mines Monday is cheering intelligence to the business inteests of this community. These mines employ in the neighborhood of five hundred people, and the monthly payroll aggregates approxomately thirty thousand dollars. A satisfactory scale has been signed between the company and its miners, and it is expected that the mines will have a prosperous season.

A remarkable feature in connection with the negotiations between the operators and miners in all the wage scale conferences this year, has been the absence of animosity and rancor on each side. The matter has been discussed from a business point of view calmly and dispassionately, each side giving due weight and conisderation to the claims and arguments of the other. This was the avowed policy of President Lewis of the miners' organization at the outset, and in his efforts to keep out of their controversy personal rancor he was ably seconded by District President Feehan. With this feeling prevalent, and only a few miners unable or unwilling to come to terms, the controversy will virtually settle itself by permitting those operators to resume who are willing to sign the scale.

A Booster Fund.

Connellsville, which has a live chamber of commerce, has started to collect a "booster fund" for the promotion of the industrial and economic well-being of that hustling town. The clearing house association, composed of seven banking institutions, proposes to start the fund with donations aggregating six hundred dollars, and a regular canvass will be made to collect a sum sufficient to substantially work for the promotion of Greater Connellsville.

The proposition to merge the Charleroi Merchant's Association into a Business Men's Association is a project that will work to the glory of Charleroi if actively carried along. The Merchants' Association did a good work along civic lines, but its scope was not broad enough and its mission was misunderstood to a certain degree by the public, which hampered operations. A broader organization of workers could do much for Charleroi, which needs all the boosting it can get to keep pace with some of its progressive neighbors.

A Note of Warning.

According to a statement just issued by State Zoologist H. A. Surface, the time is up to spray for San Jose scale, the common pest that seriously affects the fruit crop of this section. After the buds have burst no spraying should be done, says Mr. Surface. The arsenical sprays should be applied immediately after the petals or showy parts of the blossoms drop, and repeated ten day or two weeks thereafter. Trees in bloom should not be sprayed, as poison sprays are fatal to bees, which are most helpful in carrying pollen from flower to flower.

In order to offset the ravages of the Codling moth, the San Jose scale and other orchard pests, the State Department of Agriculture will give over two hundred demonstrations of spraying in orchards thoughout the State this spring. As a rule most farmers throughout this section have been so neglectful about fighting the orchard pests with the result that there is comparatively little fruit produced in the county that is not more or less damaged on this account. The State Department of Zoology is awaking to the fact that unless active and widespread measures are taken at once to combat these orchard pests fruit trees of every description will in the course of time be exterminated in many sections of the State. These pests are a menace to the economic well-being of every community, and materially add to the cost of living.

Capital Punishment In Germany.

Although little is heard outside Prussia of capital punishment within the kingdom, the law is by no means a dead letter. In seven years there have been ninety-eight executions, ten of the condemned being women. Silesia heads the list, with twenty-one executions, followed by Brandenburg, Posen and Rhineland.

No executions take place in Berlin, the condemned being taken to the prison at Ploetzensee, in Brandenburg, where they have a standing guillotine.—London Globe.

STRONG ARM MAY AGAIN BE USED

Not Even Standing Room Left in Party For Col. Guffey

BRYANITES CROWDING HIM

Factional Fighting Not Likely to Avail, However, as Conditions Generally Guarantee Republican Supremacy and Warrant Republican Success.

The Democrats of Pennsylvania who are now and for several years have been out of harmony with the leaders of their organization are just now industriously at work reading Colonel J. M. Guffey, of Pittsburg; State Chairman Arthur G. Dewalt, of Allentown; Charles P. Donnelly, of Philadelphia, and all their followers and friends out of the Democratic party. They will have nothing or no one who is not willing to declare that William J. Bryan, of Nebraska, is the greatest Democrat on earth and very naturally Colonel Guffey and his followers, who have complete control of the Democratic organization in Pennsylvania, are not willing to even pretend that Mr. Bryan is great. The Guffey people are heartily tired of following the Bryan funeral procession. They have gone to the place of general mourning with their party too often in the recent past and they do not hesitate to declare that so far as they are concerned they have gone to the Bryan political cemetery for their last time. The Bryan followers show a religious devotion to political funerals occasionally and now in Pennsylvania, when Bryan and Bryanism are dead and well buried in every other State in the Union Colonel Guffey and his organization leaders are to be publicly read out of the party because they refuse to continue indefinitely with the process of fatal political blundering.

It is contended that Colonel Guffey and his friends went a long way at the recent Harrisburg meeting to guarantee party harmony. It is also contended that the Guffey harmony efforts have been entirely misunderstood and that because he yielded some points to secure harmony he should go the full length and yield the party management to the Bryan fellows. This, of course, is not intended by the Guffey people. They recall that they were opposed to renominating Mr. Bryan at the last Democratic national convention because it was apparent that Mr. Bryan could not be elected. They recall that they were opposed to the nomination of Lewis Emery as the Democratic candidate for governor of Pennsylvania at their last nominating convention because Mr. Emery was then and is now a Republican who had repeatedly dealt himself into power with the regular Republican organization. Now they are refusing to stand for the nomination of Mr. Bryan's candidate for governor, W. H. Berry, wholly because Mr. Berry carried the fight against the Guffey crowd to the Denver convention and enlisted Mr. Bryan in the brutal job of throwing Guffey and his regularly elected delegates over the back fence of that convention. Colonel Guffey would be more than human to overlook the outrage upon him by the Bryan fellows and there are no signs that he even proposes to yield another point to his enemies in the Democratic party. He will not be read out of his party either, if he can help it, and those who know him best are confident that he will help it at the proper time.

The rainbow chasers in the Democratic party have in the past few years resorted to about every political expedient known and with all their defeats and failures they are still reluctant to approach the recognized political principle of selecting a strong, capable candidate from the membership of their own party just as they did twice with the lamented Cleveland and the honored Pattison. The Bryan fellows seem so enamoured of "isms" that they actually point with pride to the disaster which overtook such experiments as the nomination of Horace Greely for president, Lewis Emery for governor and that long list of political fiascoes for which they and their kind have been responsible. Congressman Palmer and other friends of Candidate Berry freely admit that his election would be impossible.

However, the Bryans and the Berrys and their whole clan of political highbinders are not likely to cut much ice in the affairs of Pennsylvania in the immediate future. The administration of Governor Edwin S. Stuart, now started on its last year, has been the strongest ever given to the State. When Mr. Stuart was a candidate for governor he made several important promises and as Governor he has devoted himself almost religiously to seeing that his every promise has been faithfully redeemed. No other governor in the State's history bent himself with such determination to having the promises of his party kept to the letter and Governor Stuart's sincerity and good faith guarantee beyond even serious speculation that his successor will be not only of his party but of his character and equipment.

What is there to be found in the political atmosphere to encourage Democrats or political malcontents in this State or in the Nation in any event? The stern fact is that the whole Nation is aflame with industrial activity. Labor in all its interesting history was never better paid. Business confidence is resting upon substantial conditions and the richest fruits of real prosperity are being garnered by the employer and employed. Almost every large labor employing corporation in the country has advanced wages to boom time records and not a few of them have provided in substantial ways for the protection of their employes and their dependents and all under legislation enacted under the management and leadership of the great Republican party.

The hard, cold facts are that the political conditions in Pennsylvania are satisfactory in the highest possible degree. The Republican leadership in the State, since passing into the hands of United States Senator Boles Penrose, has commanded popular approval. Upon every important move to be made the members of the party have been freely and generously consulted and every Republican in the State has had a part and a voice in the party's plans. This policy gave to the State Governor Stuart and his magnificent administration. It also gave to the State and the Nation the political policy which sounds much like boom times, giving to the wage-earner plenty of work with constantly advancing pay and a contentment that is the best possible guarantee for the future.

The Grand—Pittsburg.

The prorgam of up to-the-minute vaudeville which Manger Harry Davis has engaged for the Grand for the week beginning next Monday afternoon, April 25, includes that ever-popular duo of comedians and vocalists, Matthews and Ashley. These clever fun-makers are presenting a new skit this season. It is entitled "Held Up" and is a comical representation of scenes under the Brooklyn Bridge in New York City, depiciting two types taken from the flotsam and jetsam of real life in the great metropolis. Mr. Matthews portrays the part of a Yiddish sport and Mr. Ashley a "stick-up" man.

The sensational number of the program will be given by Harry De Coe, a European, whose equilibristic stunts have thrilled metropolitan auidence. This interpid athletes performs upon ordinary kitchen chairs and tables, each time putting his life in jeopardy.

Johnny Stanley, the effervescen comedian, and Elida Morris, a petite and winsome comedienne, will introduce a variety of vaudeville ideas, including invitations, songs and dances This specialty is said to be quite unique.

Mabelle Adams, the gispy girl violinist, will play a cycle of popular and classical selections. Miss Adams draws a strong bow and produces a robust tone.

These are only four of the important members in a brilliant program, which will conclude with a moving picture play.

Strawberry Sherbert and Frozen Custard are specials for tonight at Wagner's. 209tf

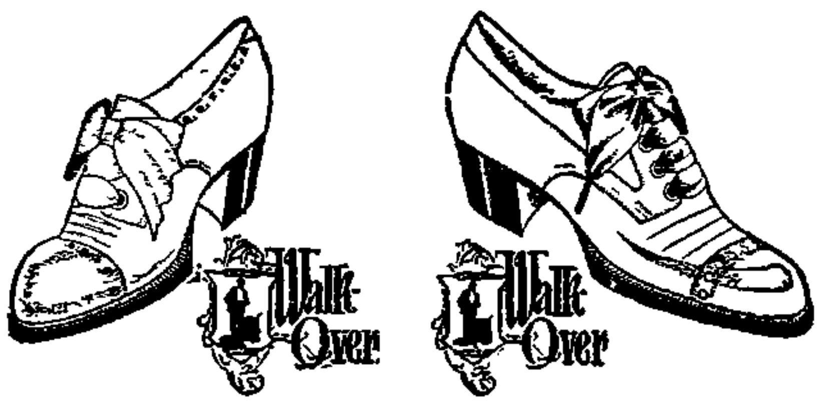
Shoes and Oxfords

for men who know



Men, who know, come here for their shoes and oxfords.

The man who wishes to invest $3.00 in a pair of shoes or oxfords selects a pair of our lace or blucher styles of patent or gunmetal calf; is correctly fitted and goes away knowing he has the best shoes $3 can buy.

The man who cares to invest $4.00 or $5.00 in a pair of shoes or oxfords, selects a pair of our patent colt, gun metal or kid skin shoes in high or low cut, button or blucher, and knows that he is getting the best of shoes because he has bought here before.

And so it goes from day to day, while the Men who Know are coming here for shoes.

CELEBRATING FOURTEENTH ANNIVERSARY

Berryman's Big Department Store Remembering its Birthday.

HAS HAD RAPID GROWTH

Charleroi's big department store is celebrating the completion of its 14th year in Charleroi. From the smallest of beginnings it has grown steadily and surely until now our city can boats of a modern up-to-date store. We believe that any city should be able to boast of its schools, its churches, its municipal buildings, its streets, etc., and also its stores.

Our plan has been to sell the best grade of merchandise at the lowest prices consistent with quality, and you'll find the merchandise here as good as sold in any city store at the same price. This celebration will take the nature of a great anniversary sale, the greatest price reducing anniversary sale ever attempted by this store.

In these days of high living expenses this sale will come as a blessing to all who participate. The ladies suit deparmennt will offer its customers the greatest values ever sold in this store. An overloaded manufacturer has just shipped a big lot of ladies suits at a saving of half. This great suit sale will interest every lady in all this country. These suits arrive this week and will positively be sold at $9.98. The skirts alone are worth that money. Every other suit in the stock will be sold at a heavy reduction. We are safe in saying you will see Charleroi's greatest Bargain Suit Prices.

Then again comes muslins at the old low prices, percales, madras, hose, carpets—hundreds of special prices, is your bargain feast.

At this time the new Clothing Department for men and boys will be opened. Clothing that bears the stamp of reliability—bought right and sold right. We invite an inspection. We particularly invite the mothers to see our line of boys' and children's clothing. We invite every one to this sale—some truly remarkable bargains.
